I. Call to Order

II. Roll Call

III. Approval of Minutes

Approved

IV. Swearing in 4 Freshman Senators

V. Committee Reports:

a. Academic & Student Affairs- Chair Alex Cochran

Cochran said no updates; they are working on getting the spring forum scheduled.

b. Appropriations & Revenue- Chair Kelly Mattingly

Mattingly said they approved two organizations at their last meeting for \$3000. We still have 20 senators who have not funded a special project. Look over Christmas break for organizations please.

c. Operations & Evaluations- Chair Kamryn Stewart

Stewart said they discussed the election procedures and rules act and an amendment to the constitution regarding the elections section.

VII Orders of The Day:

a. S.47.2020

Cochran moved for the adoption.

Elias seconded.

Elias asked if that is how you spell dependent.

Cochran said he wouldn't know.

Fain clarified that there are two spellings of the word dependent. The IRS uses -ent. The British use -ant. Motion passed

b. S.49.2020

Stewart moved for the adoption.

Blackstone seconded.

Stewart allotted her time to Lovett.

Lovett said that there were some changes of words and formats. One of the bigger changes was when the election would take place. It is now a Monday/Tuesday. If there was a need of a runoff it would be on

Thursday. They also adjusted the amount that campaigns can spend. It is now just \$1000 for presidential campaigns. The senator limit stayed the same. Overall, moderate changes were made.
Motion passed.

c. S.50.2020

Stewart moved for the adoption.

Blackstone seconded.

Stewart said that they amended it to make sure it aligned with the previous act.

Fain said he noticed we are differentiating between professional and graduate senators, is that new?

Ashley said that that there is a graduate school senator and a graduate senator. It stays the same.

Professional would be like a law senator.

Fain said that this says that there are graduate senator at large voted by graduate students and professional senators voted by all professional students. Are we adding a seat?

Ashley says that we can amend that to represent it more accurately.

Fain offered to amend it to strike line D and amend line c to say graduate and professional senators.

Stewart accepted it.

Motion passed.

He met with the president today and discussed the sexual assaults on campus. Someone will be coming to talk about it. He is preparing a presentation for the December board meeting and would like to highlight some senator projects. He also said to have a wonderful Thanksgiving.

IX. Announcements and Senator's Privilege

Farmer said he had a meeting with Dr. Swinder and he suggested that we meet with the Vice Provost to discuss sexual assault issues. He also suggested that we meet with the chief of the campus police. Mr. Monroe has a good idea of the issues of sexual assault on campus and how we should go about preventing it as student leaders on campus. Farmer would like feedback and what people think.

Hawse said he thinks it would be a great idea.

Shaikh reminded everyone to sign in on BBNvolved.

Stewart said that her and Courtney are the captains for SGA DanceBlue. They are currently planning fundraisers at restaurants and potentially a craft place. We need to start raising more money. More information will be sent out soon.

Lo asked how much the childcare dependent grants are.

Cochran said they typically try to cap them at \$1000. Last week they gave their first \$1600 one.

Lo asked when graduate professional students apply for these and travel grants, are they eligible for both for one fiscal year or either or.

Cochran said both. Generally, they will give their limit based on the region of travel.

Woodson said thank you to everyone who came out for events for trans week of awareness. More events are happening for the rest of the week. Tomorrow is a Friendsgiving. Once again, thank you all.

Mattingly wanted to congratulate everyone who has been recently elected to positions for their Greek organizations.

Elias reminded everyone to go to their required events for this semester. Go to them and fill out the form.

Blackstone said there is a Gains fellowship application that is coming out soon.

Lo offered a point of clarification, there is not an event on BBNvolved, is the event Woodson discussed open to students not at UK?

Woodson said everyone is welcome. Please come.

Jack said they sent out a meeting about senate exec, it will be in two weeks if you got the email, come to the meeting. Thank you for everyone, it has been a great semester so far. We are having difficulties of attendance at full senate and showing up for office hours. Good luck on all exams happening this week.

X. Members Privilege

Speece talked about a committee that divides the fees students pay for applications. They need people from different areas to be on this committee. It is on BBNvolved, look at it. It is due December 6 but may change. There is a multicultural thanksgiving dinner that is happening next week on Tuesday at 6. They are collaborating with multiple organizations

Wheeler said there are two water bottles that have been left in the office. She needs everyone to join the BBNvolved. Also, shout out to everyone who came to the event Monday night.
