## CHAPTER 100: ORGANIZATION OF THE GOVERNING CODES

- 100.1 All UKSGA legislation shall be compiled in a codification known as the UKSGA Governing Codes, hereinafter referred to as the Governing Codes. Upon assembly of a quorum, the UKSGA Governing Codes can be amended through bills passed in the Senate by a majority of the members present.
- 100.2 The Governing Codes shall be arranged by subject matter within the six (6) main titles, each composed of a number or numerically designated chapters, according to the following scheme:
- Title I (Ch. 100-199) Codification
  - Title II (Ch. 200-299) The Legislative Codes
  - Title III (Ch. 300-399) The Executive Codes
  - Title IV (Ch. 400-499) The Judicial Codes
  - Title V (Ch. 500-599) The General Codes
  - Title VI (Ch. 600-699) Election Procedures and Rules
- 100.3 Each chapter shall be subdivided by means of a decimal arrangement carried out to two or more decimal places. The decimal place shall represent a chapter's section. A subsection shall be referenced by lower-case letters. A subsection's subsection shall be represented by Romanettes. For example, Chapter 100 would begin with 100.1 with potential subsection 100.1(a) and potential sub-subsection 100.1(a)(i). Subsections shall relate back to the previous section. Sub-subsections shall relate back to the previous subsection.
- 100.4 The Operations and Evaluations Committee shall further classify laws to provide a logical, orderly, and comprehensive arrangement of the UKSGA Governing Codes by subject matter. Such classification shall be made prior to debate on a proposed bill in the Student Senate.
- a. The Attorney General has the authority to make corrections to spelling and non-punctuation typographical errors in any piece of legislation.
- 100.5 There shall be one official copy of the UKSGA Governing Codes. This shall be kept in the UKSGA office and made available to all students electronically. The Attorney General is responsible for continuous maintenance of the official copy of the UKSGA Governing Codes such that at any given time they reflect all legislation enacted as of that time. The UKSGA Statutes must also be published on the UKSGA website and BBNvolved and it is the responsibility of the Attorney General to maintain them.

Any legislative pieces subjected to a vote shall be distinctly mentioned and include the outcome of the vote. In instances where legislation has secured committee approval, it shall be explicitly stated that a committee quorum was in attendance and a majority of the members present and voting affirmed the legislation.

206.8 The Senate Chair shall oversee the maintenance of comprehensive and accurate records for the Senate, ensuring transparency and public access to legislative information.

- a. This shall include agendas and minutes of all Senate meetings; agendas, minutes, and/or reports of all standing or ad hoc committees of the Senate; comprehensive financial records of the Senate; documentation relating to Senate ethics; the most recent Senate roster; the latest published copy of the UKSGA Governing Codes; the complete set of documents on every measure introduced or examined in the Senate; and any other documents deemed significant for Senate operations.
- b. All legislation passed by the Senate shall be considered public record. These records shall be made available on the UKSGA website and the UKSGA BBNvolved page.

- c. The UKSGA Clerk, in collaboration with the Senate Chair and the Executive Director of Operations, shall ensure that records are not only maintained accurately but also made easily accessible to the public. This includes timely updates to the UKSGA Legislative Archive on the official website, which will systematically organize all legislation by academic year with necessary details, after consideration in a Full Senate meeting, which shall include:
  - i. The official title and short title of each legislation, accompanied by a link to its full text in PDF (Portable Document Format);
  - ii. The unique legislative measure number assigned to the legislation;
  - iii. The name(s) of the legislation's sponsor(s);
  - iv. The legislation's final status in the Senate, including the outcome of the vote;
  - v. The legislation's final disposition, specifying whether it was approved, vetoed, or if action by the Student Body President was not applicable.

206.9 Any Senator may motion to refer legislation back to its respective committee for further deliberations. This motion requires the consent of a simple majority of the Full Senate present and voting to be enacted. Additionally, the principal sponsor of the legislation is granted the authority to recall the legislation for further committee deliberations prior to the commencement of the Full Senate meeting.

206.10 The voting process, applicable to both committee and Full Senate meetings is established as follows:

- a. Senators shall retain the unequivocal right to vote on each question presented, with one vote per question, unless otherwise stipulated by the UKSGA Constitution or UKSGA Governing Codes. Alongside the privilege of voting, Senators may choose to vote affirmatively, negatively, or abstain from voting altogether.
- b. Meetings shall employ one of three distinct methods of voting, dependent upon the nature of the matter requiring resolution:
  - i. A voice vote shall be the default method for matters requiring a simple majority for approval. In a voice vote, Senators express their support by saying 'Aye' or 'Yea' and express their opposition by saying 'Nay' or 'No.' A voice vote may also be defined to include votes via electronic tabulation and/or teleconferencing communication. This method facilitates a rapid assessment of the collective will without attributing votes to individual Senators.
  - ii. A roll call vote shall be the default method for matters requiring more than a simple majority for approval or following a successful motion. In a roll call vote, Senators are called upon individually to state their vote aloud. This process provides a clear count of votes without recording names.
    - A. Senators may motion for a roll call vote; this shall require the approval of one-third (1/3) of the Senators present and voting.

iii. A recorded vote is an extension of the roll call vote, where each Senator's vote is recorded by name. This method is used upon a successful motion, ensuring full transparency of voting position.

A. Senators may motion for a recorded vote; this shall require approval of two-fifths (2/5) of the Senators present and voting.

206.11 Following the passage of legislation in the Senate:

- a. The Senate Chair is responsible for officially certifying the passage of legislation. This certification must reflect the specific voting outcome, indicating whether approval was by a simple majority, a two-thirds (2/3) majority, or a three-fourths (3/4) majority of the Senators present and voting.
- b. Within three (3) business days following the passage of legislation, the Senate Chair is required to sign a copy of the approved legislation which is to be delivered promptly to the Student Body President for further action.

206.12 The procedure for the enactment of legislation includes:

- a. Legislation is enacted into law following its passage by the Full Senate and subsequent signature by the Student Body President, except where specified otherwise in the UKSGA Constitution or UKSGA Governing Codes.
- b. If the Student Body President neither signs nor vetoes the legislation within seven (7) business days following its passage by the Senate, the legislation shall automatically become law. This automatic enactment is to be formally recorded by the Senate Chair and documented within the UKSGA Legislative Archive.
- c. Signed copies of enacted legislation must be distributed to all relevant parties within five (5) business days following enactment.
- d. Following action by the Student Body President on the legislative item, the copy of the item shall be returned to the UKSGA Clerk for maintenance of records. If the Student Body President neither signs nor vetoes the item, as outlined in 206.12(b), the item shall be returned to the UKSGA Clerk with only the Senate Chair's signature, and Presidential inaction shall be documented in the legislative record.
- e. The Student Body President and UKSGA Clerk shall retain a joint record of all signed legislation, which will be archived as part of the official UKSGA legislative record and remain in a designated binder in the UKSGA office.

206.13 The veto process is as follows:

- a. In the event of a veto, the Student Body President is required to return the vetoed legislation to the Senate Chair accompanied by a veto message within seven (7) business days of its receipt.
- b. The veto message must include the date of the veto, the legislation's original measure number, its official title, and may also contain an explanation for the veto. The message must conclude with the signature of the Student Body President.
- c. Upon delivery of the vetoed legislation, the Senate Chair will present the veto message at the next Full Senate meeting, where any Senator present and voting may

propose a motion to override the veto. An override of the veto requires a two-thirds (2/3) majority vote of the Senators present and voting.

- d. During the discussion to override the veto, there shall be no amendments or modifications to the legislation under consideration.
- e. If the override motion does not achieve the required two-thirds (2/3) majority, the veto shall remain in effect. If the motion succeeds, the legislation is enacted into law despite the veto, and the Senate Chair shall note the veto override on the official record.

206.14 At the conclusion of each academic year, a joint effort between the UKSGA Clerk and the Attorney General shall be undertaken to compile all legislation approved by the Senate into the “Annual Legislative Compilation.” This compilation will be maintained both as a physical binder within the UKSGA Office and in digital format, made accessible on the UKSGA website and the UKSGA BBNvolved page. The purpose of this compilation is to ensure that all legislative actions taken within the academic year are systematically organized and readily available for reference.

- a. Previous editions of the Annual Legislative Compilation will be archived and made available on the UKSGA Legislative Archive, accessible through the UKSGA website.

206.15 The Student Body President and Vice President shall be granted time to address the Senate at each meeting after old business and new business items during the period referred to as “Officer Reports,” as explained in Robert’s Rules of Order, 12<sup>th</sup> edition. During this time, the Student Body President and Vice President may speak on any matters pertaining to the Student Government Association.

206.16 All members of UKSGA shall be granted a time to address the Senate after old and new business items have been discussed during the period referred to as “Members’ Privilege.” All members of UKSGA shall be allowed to speak once during this time.

206.17 In all matters before the Senate, no Senator shall speak twice on an item before another Senator has spoken once on that item. Should no Senator wish to speak for the first time, then any Senator who has already spoken may speak. This process shall continue to apply for the third time a Senator wishes to speak on an item and repeat thereafter for each subsequent time they desire to speak.

- a. Individuals, Senators or otherwise, shall speak for at most seven (7) minutes in any given instance during discussion on a given item before the Senate.
  - i. The Senate Chair, at their discretion, may waive this requirement for business items, including but not limited to presentations, guest speakers, and other items identified by the Senate Executive Council.

206.18 On all matters unaddressed by the Governing Codes and Constitution pertaining to the operations of the Senate, Robert’s Rules of Order, 12<sup>th</sup> edition, shall be treated as the final authority.

- a. Any rule(s) for Full Senate and Standing Committee meetings outlined by Robert’s Rules of Order, 12<sup>th</sup> edition, may be suspended for a specific duration of a meeting. This shall be done by a majority vote of the body.

- 209.1 This section shall focus on a removal process for A&R Committee or ASA Committee member noncompliance with viewpoint neutrality as it is defined by the Supreme Court of the United States of America and other binding laws, rules, regulations, etc.
- 209.2 A perceived infraction of any member of an A&R Committee or an ASA Committee may be reported via an anonymous form that shall be included in acceptance and denial emails sent to grant applicants. This form will also be made available on the UKSGA website and on UKSGA's BBNvolved page. This form should be accessible and constantly monitored by the Senate Chair and/or their designee. The Senate Chair and/or their designee should inform the member of the reported infraction as soon as they are aware of the submission.
- 209.3 A reported infraction shall be heard by the Senate Executive Council prior to the next A&R Committee or ASA Committee meeting unless the next A&R or ASA meeting is five (5) days or less from the report of a perceived infraction. In such case, the Senate Executive Council must hear the reported perceived infraction before the next Full Senate meeting.
- a. A determination shall be made within fourteen (14) days of the hearing, unless the Senate Executive Council decides, by a majority vote of its membership, to certify the question to the Vice President for Student Success or their designee.
  - b. During said hearing, the Senate Executive Council will review relevant materials, such as evidence that has been submitted, meeting recordings, and the viewpoint-neutral rubric utilized by the Committee and determine the potential noncompliance of the Committee member.
  - c. During the hearing, both parties shall have the right to representation.
  - d. If at any time the issue resolves itself through the withdrawal of the complaint, the resignation of the Senator from the A&R Committee, the ASA Committee, or the UKSGA Senate as a whole, or by any other means, the proceedings may be dismissed and the certified question, if present, may be withdrawn before determination.
  - e. The Senate Executive Council may debate the disposition of the body in private with invited, non-involved guests. These authors are encouraged, but not required, to attach their names to the opinion and disposition.

The Senator against which the infraction has been reported must be notified at least twenty-four (24) hours before such a question is sent. Such a determination on the certified question is binding and must be adopted by the Senate Executive Council.

## CHAPTER 210: ACCOUNTABILITY

- 210.1 “Censure is defined as a resolution passed by the Senate in lieu of impeachment. In effect, “censure” is a written reprimand given to an official whose actions may have warranted impeachment, but the Senate felt impeachment was unnecessary.
- 210.2 Offenses warranting censure include, but are not limited to, the following actions committed while in office: failure to perform UKSGA duties, unsatisfactory performance of UKSGA duties, and abuse of power.
- 210.3 Any active member of UKSGA may be censured.
- 210.4 A censure resolution must be sponsored by no less than five (5) senators and shall be filed with the UKSGA Clerk. A copy of the censure resolution shall be forwarded to the Senate Executive Council and the person(s) concerned in the resolution.
- 210.5 At the regularly scheduled Senate meeting immediately following the filing of a censure resolution, the Senate must take up the resolution for consideration. The person who is being considered for censure is not automatically given a right to appear before the Senate but may be granted that right.
- 210.6 The Full Senate adopts a censure resolution upon a two-thirds (2/3) vote of the Senators present and voting.
- 210.7 A censure motion may be made on any Article of Impeachment where a majority of the Senate voted in favor of it but failed to be adopted by two-thirds (2/3) of the Full Senate.
- 210.8 The following terms and phrases used in this chapter shall be defined as follows:
- a. “Impeached” means the formal adoption of Articles of Impeachment by the Impeachment Body.
  - b. “Impeachable Offense” means the conduct to which a person may be impeached. Impeachable offenses are limited to acts committed while in office under the following grounds: misfeasance, malfeasance, nonfeasance, abuse of power, and conviction of a criminal offense.
  - c. “Impeachment Resolution” means the statement filed by the requisite number of student Senators that accuses a person of an impeachable offense.
  - d. “Articles of Impeachment” means those sections of the Impeachment Resolution that have been adopted by a two-thirds (2/3) vote of the membership of the Impeachment Body to proceed to trial.
  - e. “Of the membership” means the total authorized number of student Senators in the Senate class, less the number of vacancies.
  - f. “Impeachment Body” means the membership of the Senate. If a member of the Senate is being impeached, they shall not be counted as part of the membership of the Senate. The Chief Justice of the Supreme Court shall preside over the Impeachment Body in all impeachment proceedings. If the Chief Justice is being impeached, then the member of the Supreme Court who has been in office the longest shall preside.
  - g. “Conviction of Impeachment” means those sections of the Articles of Impeachment adopted by three-fourths (3/4) vote of the membership of the Impeachment Body. An

officer convicted of impeachment shall be immediately removed from office. Conviction of Impeachment does not change the person's civil or criminal liability.

- h. "Disqualification from future office" means a separate vote of the Trial Body to prevent the person convicted of impeachment from holding any future UKSGA position. A three-fourths (3/4) vote of the membership shall be required to disqualify a person from future office.

210.9 Any active member of UKSGA may be impeached.

210.10 The filing date of an impeachment resolution shall be deemed the day that five (5) student Senators co-file an impeachment resolution. The five student Senators co-filing the impeachment resolution must certify that a copy of the impeachment resolution has been given to the person whose impeachment is being sought.

210.11 The person whose impeachment is being sought has no automatic right to appear before the Impeachment Body unless an Article of Impeachment is adopted to proceed to trial. The Impeachment Body may allow the person whose impeachment is being sought to present evidence and testimony to the Impeachment Body.

210.12 If any Articles of Impeachment are adopted by a two-thirds (2/3) vote of the Impeachment Body, a trial shall be held on those Articles by the Impeachment Body. Upon the adoption of the Articles of Impeachment, the presiding officer shall deliver to the person whose impeachment is being sought a copy of the Articles of Impeachment, and that person shall be automatically and immediately suspended from office.

210.13 The impeachment trial must begin no sooner than five (5) school days, but no later than fourteen (14) days from the adoption of the Articles of Impeachment. Failure to begin the impeachment trial shall constitute a dismissal with prejudice of the Articles of Impeachment and remove the suspension from the officer.

210.14 The person whose Conviction of Impeachment is being sought shall be afforded the opportunity to be heard, the right to present witnesses, the right to offer evidence, and the right to offer testimony.

210.15 After the impeachment trial, if any Article of Impeachment is adopted by three-fourths (3/4) of the Senate, the person shall be deemed convicted of impeachment and removed from office.

210.16 The Impeachment Body must vote separately to disqualify the person convicted of impeachment from holding any future position within UKSGA. A three-fourths (3/4) vote of the membership of the Impeachment Body shall be necessary to affect future disqualification.

210.17 If no Article of Impeachment is adopted by the Impeachment Body, the suspension shall automatically be removed, and the person shall resume office.

210.18 Any member of the Legislative Branch who has disciplinary action brought against them by censure may be instructed for further remediation. The Senate Executive Council shall have the ability to prescribe additional remediation material, such as trainings, to any member. The member whose action is being held accountable shall not be permitted to return to formal meetings until the material is verifiably complete.

210.19 The absence appeal process for Senators or other active members of the Legislative Branch shall operate as follows:

- a. After a member of UKSGA is marked absent and the Senate Executive Committee has deemed the absence as excused or unexcused and the member does not accept the designation, the member shall have the option to submit a written request for appeal. The Appeal Request should contain a brief statement of the reason the member of UKSGA was absent, an elaboration as to why they feel the absence is not in violation of the applicable standards set forth in the Senate Accountability Contract, and any evidence supporting their claim. This Appeal Request should be submitted within seventy-two (72) hours of the notice of the Senate Executive Committee decision, or the request shall be denied without further discussion.
- b. The Appeal Requests for missed Legislative Branch functions shall be submitted to both the acting Senate Chair and the acting Chief Justice.
- c. The Requests shall be presented in the UKSGA Supreme Court. The proceedings shall be arranged at the discretion of the parties involved.
- d. The Appellate ruling of the Supreme Court shall be the final decision on the matter. If the Appellate body maintains the absence as unexcused, the absence shall count against the allotment of allowed absences prescribed by the Senate Accountability Contract. An Appellate decision which overturns the ruling shall maintain full effect and the absence shall not count against the allotment of absences prescribed by the Senate Accountability Contract.
- e. Active members of the Legislative Branch shall have two (2) Appeal Requests per year, regardless of the outcome of these appeals. Any unused appeal requests shall not accumulate in the event of multiple terms.

Unless otherwise allowed under the elections by-laws and policies, all candidates must adhere to applicable university policies, municipal policies and laws, and state policies and laws.
- 608.17 Additional policies and procedures approved by the Elections Board of Supervision and the Senate for the purpose of managing the elections process may be put into effect in addition to these codes and must be adhered to by all candidates and staff. All additional policies will be provided to candidates prior to the start of any campaign period.

CHAPTER 609: ELIGIBLE VOTER

609.1 An eligible voter shall be defined as a currently enrolled student at the University of Kentucky.

609.2 The eligible voter record shall be determined by enrollment data provided by the University Registrar.

## CHAPTER 610: VOTING PROCEDURES

610.1 Full and part-time students shall be permitted to vote once per election.

610.2 The Elections Board of Supervision shall ensure that online ballots, candidate platforms, the election rules, and directions for reporting errors are available on the UKSGA website and BBNvolved.

610.3 Students voting during the General Election must do so through the electronic voting system. If unavailable, students may submit a paper ballot at a polling location by the following process:

- a. The student shall be provided a paper ballot by the designated member of the Elections Board monitoring the polling location. This paper ballot must contain the names of all Executive candidates and Senatorial candidates for the student's college or school of enrollment, spaces for the student to write in votes for each office, and an envelope.
- b. The Elections Board monitor shall follow the procedures for double enveloping.
- c. The Elections Board shall be responsible for providing the following items at polling locations:
  - i. One large, lockable ballot box;

Such activity will be grounds for a student's vote being disqualified UNLESS such student is a candidate, in which case a higher penalty may be imposed. The Elections Board of Supervision shall post a sign at each poll with the exact wording in the sentences above notifying voters of this prohibition.

610.6 The following double enveloping procedures must be followed by the Elections Board of Supervision when necessary:

- a. The pollster shall give the voter two envelopes and paper ballots for each position.
- b. The voter shall mark their vote on the ballots and then seal the ballot in the first envelope.

- d. This method shall not be employed unless a voter claims to be eligible but is not entered in the list of eligible voters or claims not to have voted but is marked as voted. The Elections Board of Supervision shall review these ballots and determine

which students were eligible voters. The ballots of eligible voters shall then be added to the vote tally.

## CHAPTER 611: POLLSTERS AND POLLING LOCATIONS

- 611.1 A pollster includes student persons designated by the Elections Board of Supervision to work at the polling location.

- 611.4 The Elections Board of Supervision shall operate a polling location in the Bill Gatton Student Center on every day the polls are open. The polling location serves as a space for voters to vote in person or submit a paper ballot if they are unable to vote online.
- 611.5 A portable device with internet access shall not be considered a polling location unless specifically designated to be such by the Elections Board of Supervision.
- 611.6 Election Day shall be designated by the Elections Board of Supervision to consist of a minimum of eighteen (18) hours over two (2) days.

- 612.4 The Elections Board of Supervision shall determine, via majority vote, the validity of the elections following the completion of tabulation.
- 612.5 The results shall not be final until certified by a majority of the Supreme Court at the Election Review Hearing.

## CHAPTER 613: COMPLAINTS AND CLAIMS

- 613.1 “Complaint” as used in this section is defined as the process by which any student may, upon genuine belief of an election violation, notify the Elections Commissioner, who, alongside the Elections Board, determines whether they are actionable.
- 613.2 “Actionable” as used in this section describes Complaints determined by the Elections Commissioner and Board to likely have merit if officially reviewed as a Claim.
- 613.3 “Claim” as used in this section is defined as the process by which any candidate may, upon genuine belief of an election violation, file for an official review.
- 613.4 At any time in the election period, any student who believes that a violation of election or campaign rules occurred may file a Complaint with the Elections Commissioner. Students filing Complaints may submit any relevant documentation to support their Complaint to the Elections Commissioner. Complaints shall be reviewed by the Elections Commissioner.
- a. Complaints shall be reviewed by the Elections Commissioner and Elections Board within three (3) business days (72 hours) of being received by the Elections Commissioner. Business days are considered Monday through Friday excluding weekends and public holidays.
  - b. The Complainant, as well as the student(s) and/or organizations who are the subject of the Complaint, shall be informed as to whether the Board determines the Complaint is actionable and state their reason for reaching their decision.
    - i. Board determinations of Complaints are not appealable. Points shall only be assigned to merited Claims by the Supreme Court, and no points are assigned to candidates for actionable Complaints.
  - c. If, after being informed of an actionable Complaint against their activity, a candidate persists in that activity, the Supreme Court may have grounds to impose higher point penalties at the hearing. However, if the candidate remedies the behavior upon notification by the Elections Commissioner, and is able to provide evidence of such, the Supreme Court could impose a lesser point penalty at the hearing.
  - d. If a student submits an actionable Complaint after the deadline to submit Claims, the Supreme Court retains the authority to order review and assess points if appropriate.
- 613.5 Any candidate who believes that a violation of election or campaign rules occurred may file a Claim with the Elections Commissioner, by the date and time determined by the Elections Board of Supervision. Candidates filing Claims may submit any relevant documentation to support their claims to the Elections Commissioner.
- 613.6 Questions regarding legislative interpretation, on behalf of the Elections Board, shall be directed to the Attorney General. The Attorney General may request a slip opinion from the Chief Justice of the Supreme Court.
- 613.7 No more than twenty-four (24) hours after the conclusion of the Claims filing deadline, the Elections Commissioner shall present all Claims to the Elections Board at the Claims Review Meeting. The Elections Board shall review all Claims and determine if a Claim has merit or not based on the UKSGA Governing Codes.

613.8 If the Elections Board deems that a claim has merit, they will notify the Claimant and Defendant of their decision. The Claim will then be brought before the Supreme Court.

613.9 If the Elections Board determines a Claim lacks merit, the Elections Commissioner will notify the Claimant of that finding and will provide the Claimant with a written statement detailing the reasoning for the finding. The Elections Commissioner must inform the Claimant of their right to appeal to the Supreme Court.

- a. A student may file an appeal with the Supreme Court and maintains the right to an expedited hearing due to the time-sensitive nature of elections. Notice must be provided to the Elections Commissioner of the appeal within forty-eight (48) hours of an Elections Board decision.
- b. If a candidate chooses to appeal a Claim that the Elections Board deemed to lack merit, the candidate must provide a written statement to the Supreme Court articulating the basis for their appeal. This statement may only include information and/or documentation to support their claim that has not previously been submitted to and considered by the Elections Board.

613.10 The Supreme Court shall convene no later than one week after the Claims Review Meeting. At this time, the Elections Commissioner shall present all Claims including those with merit and those that have been appealed. The Supreme Court will decide which Claims they will hear in their formal Supreme Court Hearing.

613.11 In the case that a Claim filed contests the eligibility of a candidate, the Supreme Court may call an Emergency Hearing at their discretion to hear these Claims.

613.12 Claims will not be considered if not filed before the deadline established by the Elections Board of Supervision.

613.13 No candidate shall exceed their campaign expenditure limit.

## CHAPTER 614: VIOLATIONS AND PENALTIES

614.1 The point penalty guidelines contained in this chapter are intended to serve as a guide for the Supreme Court as they impose point penalties for election and campaign rule violations. However, the Supreme Court has the ultimate discretion, based on the individual circumstances of a specific violation, to impose a point penalty that deviates from the recommended penalty.

- a. It is recommended that a candidate be completely disqualified from the election in which they are running if they accumulate ten (10) or greater penalty points.
- b. It is recommended that points are levied per violation, not per the number of Claims against them asserting the violation.

614.2 Violations of the election and campaign rules and procedures contained within the UKSGA Governing Codes are separated into Level 1, Level 2, and Level 3 infractions.

614.3 Level 1 violations are those contained in Codes 606.2, 606.3, 606.4, 606.5, 606.6, 606.9, 606.10, 606.11, 606.13, 606.14, 608.9, 608.10, 608.13, 608.18, 608.19, 608.20, and 611.2. A violation of 613.9, if equal or less than five (5) percent of the expenditure limit, is a Level 1 violation.

- a. The recommended point penalty for Level 1 violations is  $3 \pm 2$  points.

614.4 Level 2 violations are those contained in Codes 606.7, 606.8, 606.12, 606.15, 607.1, 607.3, 607.4, 608.3, 608.4, 608.5, 608.7, 608.8, 608.12, 608.14, 608.15, and 608.16.

- a. The recommended point penalty for Level 2 violations is  $6 \pm 2$  points.

614.5 Level 3 violations are those contained in Codes 604.2, 604.6, and 608.2(a). A violation of 613.9, if greater than five (5) percent of the expenditure limit, is a Level 3 violation.

- a. The recommended penalty for Level 3 violations is complete disqualification from the election.

## CHAPTER 615: DETERMINING A WINNER

615.1 All elections shall be decided by the plurality voting method. The candidate(s) with more votes than other candidates will be declared a winner for the allotted seats, which shall be:

- a. One Presidential/Vice Presidential Ticket;
- b. One Senator from each college, and;
- c. The number of Undergraduate and Graduate at-Large Senators according to UKSGA Governing Code 200.3(e).

615.2 The candidate with the most votes is declared the winner. In a plurality system, the winner does not need to have more than 50% of the votes – just more than any other candidate.

- a. The allocated number of Undergraduate and Graduate Senators shall be filled by that number of candidates with the most votes.

615.3 Upon conclusion of the Supreme Court Hearing and the issuance of opinions, the Elections Commissioner shall announce the official results of the election within twenty-four (24) hours and make the results public within the same time frame.

615.4 If a candidate declines or resigns from an elected position, the eligible candidate with the next highest number of votes shall be offered that position.

615.5 The Supreme Court may, upon violation of any procedure, and at its discretion, invalidate the election results and issue a new election.

## CHAPTER 616: EXPENDITURES

- 616.1 A ticket composed of a candidate for President and Vice President is limited to a total expenditure of one thousand (1,000) dollars. In the case of a new election issued by the Supreme Court, a ticket may spend an additional one hundred fifty (150) dollars.
- 616.2 Senatorial candidates are limited to a total expenditure of four hundred (400) dollars. In the case of a new election issued by the Supreme Court, Senatorial candidates may spend an additional fifty (50) dollars.

Candidates are responsible for getting a receipt form showing the date, time, and the Commissioner's or designee's signature. Original receipts and a copy of all printed materials shall accompany the expenditure form.
- a. If a candidate fails to submit an expenditure form within twenty-four (24) hours of the closing of the polls, the candidate forfeits the position.
- 616.4 The winner of a write-in vote must file an acceptable expense report, showing the campaign expenses did not exceed the limit for that office, before being seated.
- 616.5 All commercial or individual services or tangible materials donated by non-students to a candidate or candidates shall be attributed as expenditures of the receiving candidate or candidates at a reasonable retail price.
- a. Tangible materials donated by students to candidates shall also be attributed as expenditures of that candidate at a reasonable retail value. Tangible materials donated by students to candidates include, but are not limited to paper, wood, glue, staples, posters, signs, banners, and other like materials. Tangible materials donated by students to candidates shall not include the hosting of a website, website design, or computer programming since these donations are services.
  - b. Donations by students to candidates shall be subject to the following rules:
    - i. Any student, whether part-time or full-time, of the University of Kentucky, including Lexington community college students, can donate their services in any capacity whatsoever, including professional services, and that donation shall not be attributed to the expenditure of the receiving candidate or candidates.
    - ii. Service donations by students include donations of website hosting, website services, or the donation of any future technology that may replace web communication.
- 616.6 All expenditure sheets shall be available for viewing in the UKSGA office from the time they are filed until the time the claims period is over.
- 616.7 The Supreme Court shall have jurisdiction to settle valuation disputes.
- a. The burden is on the Claimant to prove by a preponderance of evidence that a candidate has exceeded their spending limit. Once a Claimant initiates such a Claim, the Claimant must first make a good cause showing to the Elections Commissioner, and only if the Elections Board of Supervision has determined that good cause in fact

exists shall the Claim proceed. If a Claim proceeds beyond the Elections Board of Supervision, the candidate shall be afforded ample opportunity to present evidence to the Supreme Court that the material or service was proper.

- 617.1 Every member of the University of Kentucky Student Body shall be allowed to cast one (1) ballot in an election.

All objections regarding the conduct of an Elections Board member must be resolved before the next round of tabulation begins. All objections shall also be reported to the Supreme Court during the Supreme Court hearing for election disputes if relevant to candidates appearing before the Court.
- 617.10 Upon completion of the tabulation, the applicable parties shall be informed of the results, and the ballots shall be archived.
- 617.11 In the event a ticket or candidate withdraws or is disqualified prior to the tabulation of ballots, all votes cast for that candidate will be disregarded.
- 617.12 Results shall be announced via all UKSGA media platforms upon certification of the results by the UKSGA Supreme Court.
