 - Excused Absent – Ben S, Hannah E, Yazan O.
 - Unexcused Absent - Martell J, Jada P
- Michaela Taylor Presentation
 - “The UK Law Student Bar Association is pleading to have mental health questions removed from the BAR application. Mental health in the legal profession, especially in Kentucky, is not well addressed and the question furthers the stigma in the community. I would like to have senate support in a statement in support of the petition. Let me know if you have any questions.”
