II. Roll Call

**III.** Approval of Minutes

Approved

**IV.** Committee Reports:

a. Academic & Student Affairs- Chair Alex Cochran

Senator Kruchten said that their meeting they talked about travel and childcare grants

b. Appropriations & Revenue- Chair Kelly Mattingly

They approved three organizations for over \$3,000. Senator Boyle will share more information later.

c. Operations & Evaluations- Chair Kamryn Stewart

They talked about the new violations and a new timeline that they will approve later.

#### V. Orders of The Day:

#### a. S.23.2020

Boyle motioned and Eastham seconded.

Boyle gave time to a guest speaker, Katherine.

Katherine spoke about the medical school and how they are overseeing a transition into a new medical school. They are asking for money to put on an event that is open to med school students and more. It is a nice chance for them all to get together. They use the profits to fund msga and to fund the salvation army clinic in downtown Lexington. The event is taking place at Distillery Square and the tickets are \$20. No discussion, Jack moved to time of voting.

Senator Rogers moved to vote by acclimation.

Could not because time of voting had already started.

By a motion of 26 it passed.

#### b. S.24.2020

Stewart motioned to approve the Freshman senate timeline, Farmer seconded

Senator Farmer asked why there is a gap between the informational meeting and the day the applications opened.

Stewart replied that it gives people time to think about if they want to run

Elias said that they were not sure if they could rent a room. They did not reserve the room in time. But it also gives people who might want to run more time.

Senator Boyd asked if it moves the whole timeline Elias said that everything else stays the same.

Senator Hawse asked if the entire thing needs to be amended.

President Hamilton said that the opening will be just a day apart and it does not need to be amended.

Senator Lo asked how we expect to get this out to as many freshmen as possible because he is unfamiliar with this process

Senator Stewart answered that Mikalya is in charge of this but they plan to table and use social media to spread the word.

Senator Lo asked if he planned to add a tab for senator elections on the website like there is for the LDP Stewart said that she would talk to the guy who handles the website

Elias said that last year the signatures required made it mandatory that it is all on paper and not on the computer.

By a vote of 23 the motion passed

#### VII. Dr. William Swinford

Spoke after meeting.

#### VIII. Presidential Privilege

This week is a big week because he has a board meeting. The meetings are open to the public and he will send out the schedule. The academic and student affairs meeting will take place before the full board meeting. That would be an important one to attend. Other than that, things are moving along well. Happy to see that everyone is getting acclimated to the office. Other than that he's focused on the meetings.

#### IX. Announcements and Senator's Privilege

Jack thanked Wright and Blackstone for their work on Pie a Senator.

Bilal said that to go off the office hours, most people have signed up. If you haven't, do it please. Also, when you come in for them sign the sign in sheet. If you come in and it's not your office hours you do not need to sign in. He said that he sent a senator absence form. Whether you know it's going to be excused or not before. Fill it out afterwards also.

Elias said that regards to the events, tonight she will be sending a form for everyone to fill out. Since it is halfway through the month only one event is required. She will also be sending a list of organizations for everyone to reach out to.

Stewart said that Courtney and her are the DanceBlue chairs for this year. If anyone wants to get involved reach out to them and sign up for the 5K

#### X. Members Privilege

The director of health and wellness said that she is handing out QR codes that will immediately show emergency services. You do not even need to download an app for them. Nobody needs to download a ton of apps or remember a bunch of numbers.

The parliamentary chair went over how to ask questions during debate.
